#### **EDUCATION**

## •Malaviya National Institute of Technology, Jaipur

2022-26

2021-22

2019-20

B. Tech (Computer Science and Engineering)

•Govt. Model Senior Secondary School, Chandigarh

CBSE, Chandigarh

Percentage: 61

•PC Senior Secondary School, Panchkula

HBSE, Panchkula Percentage: 71.8

#### Personal Projects

#### •Wedding Organizer Website

Developed a dynamic and responsive website to assist users in planning and managing various aspects of a wedding.

- Tools & technologies used: HTML, CSS, JavaScript
- Designed and implemented the website layout for a visually appealing and user-friendly experience.
- Created interactive elements such as a customizable wedding checklist and RSVP tracker to enhance functionality.
- Improved user experience by ensuring responsiveness and compatibility across various devices and browsers.
- Collaborated with clients to iterate on features and design, achieving a website that met user expectations effectively.

### •Doctor Appointment System

Developed a comprehensive doctor appointment system for seamless scheduling and notifications between patients and doctors.

- Tools & technologies used: MongoDB, Express, HTML, CSS, JavaScript, React, Node.js
- Designed and developed the front-end using HTML, CSS, and JavaScript to create an intuitive and user-friendly interface for patients and doctors.
- Implemented back-end functionalities with Node.js and Express to handle user authentication, appointment scheduling, and management.
- Integrated MongoDB for database management, including storing patient data, doctor schedules, and appointment details.
- Utilized React to build dynamic, interactive components, improving the user experience for both patients and doctors.
- Enabled real-time updates and notifications to enhance user engagement and communication between patients and healthcare providers.

## TECHNICAL SKILLS AND INTERESTS

Languages: C++

**Developer Tools**: Git, Visual Studio **Frameworks**: React, Node.js

Cloud/Databases: MySQL,MongoDB Soft Skills:Problem-solving, Communication

Coursework: Data Structures and Algorithms, Software Engineering, Database Management

Areas of Interest: Web Development

# INTERESTS / HOBBIES

•Playing & watching cricket.
